Five New York City Condos for Sale with Upscale Open Kitchens

Seamlessly blending into a home's living space, an open kitchen serves as a central hub for socializing and entertaining, allowing hosts to prepare meals while continuing to interact with guests. Numerous condos across New York City embrace the allure of open kitchens, offering expansive views and providing abundant natural light. Let's look at some buildings showcasing the most stunning open kitchens, providing serene and welcoming havens above the city's vibrant pulse.

86+ Broadway, Unit 17D | Evan Joseph

520 Fifth, Unit 50A | Alden Studios

520 Fifth, Unit 50A - \$3,330,000

Nestled in Midtown, 520 Fifth is an architectural marvel designed by the prestigious firm KPF with interiors by Charles & Co. Residence 50A, a two-bedroom, two-bathroom unit spanning 1,278 square feet, boasts an expansive open kitchen adorned with high-end materials. Taj Mahal quartzite slab countertops and backsplashes, a ribbed walnut island, and a cozy breakfast nook where you can savor spectacular city views create an exquisite ambiance. Residents benefit from the building's enticing amenities, including a residents-only social space in the building's crown that provides Empire State Building views.
